

Printing from Personal Android/iOS Devices

YOUR DEVICE MUST BE CONNECTED TO THE “EDUROAM” WIRELESS NETWORK!!!

For Android:

1. Open the Google Play Store and search for “**Mobility Print**”
 - a. It will have this icon: 
2. Install and open the app
3. Tap “**Android Settings**”
4. Tap “**Mobility Print**” to enable the toggle

For iOS:

1. Mobility Print easily integrates with Apple’s default printing connection called AirPrint. Simple select print from whatever content you’d like then pick from the list of available printers!

The list will be huge and include many other devices. Scroll to the bottom and you’ll see each of our Xerox’s labeled with its name/location.

You can now print documents from your device to the campus Xerox’s via your PaperCut account!
