

Personal Mac Laptop Printing

***YOU MUST BE CONNECTED TO THE
“EDUROAM” WIRELESS NETWORK!!***

1. Navigate to **System Preferences>Printers and Scanners**
2. Click the  icon under the Printers List
3. The ADD dialog is displayed and should list discovered network printers (It might be a huge list) Our available printers are:

ASUMW
BARC
Block Hall
Emerick
JDC
Learning Center
MacLab (STC Basement)
Mathews
Main Hall North
Main Hall South
Office SIM
STC
Student Affairs (Dean of Students)

***B&W and Color versions where capable**

4. Select a printer and verify that “Secure Airprint” is displayed near the bottom of the dialog
5. Click ADD. Print your document
6. When prompted, enter your username and password. Repeat for any additional printers.
